

In the Community

Adroit Technology Enterprises (Adroit) was excited to participate in the monthly meeting of the New Tech Community on Thursday the 21st of July 2011. Adroit is proud to be one of five sponsors that have partnered with this organization. New Tech Community offers educational seminars for technology users in the South Florida market. During this session, Jay Epstein educated the group in his knowledge of developing dynamic websites using Drupal 7. Drupal is an open source content management platform powering numerous websites and applications.

The New Tech Community meets on the third Thursday of each month at the Wyndham Garden Hotel in Boca Raton, FL. You may learn more about the New Tech Community by reviewing their website at <http://newtechcommunity.com>.
